\* The asphalt paving or seal coating covered herein is warranted against failure due to improper workmanship or materials for a period of one year after completion unless otherwise stated herein. Use of pavement for a purpose other than the disclosed and intended use, or by heavier traffic than disclosed, will void this warranty. It is understood that this warranty does not cover damage caused by intentional or accidental excavation, fire, flood, gasoline, oil, chemicals, sub-surface water, overloading, or other misuse. This warranty does not apply to first or intermediate stages of construction. Asphalt bases are not guaranteed. This warranty starts when the final wearing surface is placed and the pavement structure is brought up to full design strength. Liability for breach of this warranty is conditioned upon receipt by Belden USA, LLC of a written notice of the same within 30 days of such breach. This Warranty is not assignable or transferable, and supercedes all other warranties, whether expressed or implied. Belden USA, LLC has no liability to any person or company for any reason beyond its contracts and provisions thereof and this warranty.
